TECHNICAL SHEET

SANIL – SURFACE SANITIZER

PRODUCT DESCRIPTION

Sanitizer designed to thoroughly clean tables, desks, worktops, monitors, keyboards, pc mouse, printers, televisions, smartphones, portable devices and various tools. Ready to use, no rinsing required except on food contact surfaces. Applicable on all materials compatible with water. It can be used in food processing areas such as kitchens, restaurants and bars that operate in compliance with Regulation (EC) n.852 / 2004 and Legislative Decree 193/2007-HACCP. It cleanses and sanitizes in a single step, without leaving streaks. Lavender fragrance.
