

Technical Data Sheet:
Canary Seed

Code:
2310

Ref.: ST2310
Rev.: 2
Date: 02/12/2010

Product Type:
Canary Seed

Formats:
5 – 1 kg

Product Characteristics:

The main component is finely ground semi-hydrated calcium sulphate.
There are traces of natural inorganic impurities.

Technical Specifications of the Product:

<i>CHARACTERISTIC</i>	<i>VALUE</i>
Physical state	Solid-Pulverulent
Color	White
Odor	None
pH	5.3 – 5.7

Use / Applications:

Product used for plastering and repair work as it does not crack after drying.
It can be used to make small sculpture shapes or in construction to fix dowels and fixtures.

How to use:

Pour clean water into a container, then add canary seed by spreading it evenly until it emerges.
